Friday

Well, precious Friend of my Heart:

Last night was beautiful — the quiet and color of the garden, the long stretches of green lawns, the dark of the pine

Stove, the warmth of the hearth-fire, the effusiveness of the dining-room & last all this alone with Willoughby and you - and you, and especially you.

I treasure each moment, each memory of your quiet glowing smile - the creation of you emanating everywhere in your periphery -

And so again you have given me happiness, fulfillment and memories to treasure.

I love you, Well dear one, so very much — Lucie.
