HANAUMA BAY,
HAWAII

This beautiful blue-green bay and sparkling white sand beach is only a few minutes drive from downtown Honolulu.

HAWAIIAN ISLANDS

Dear Nell, Ann and I are at the mid-
point of a first trip. We drove from DC
out to San Diego, visiting friends on route.
Now my plans to Hawaii, where we stayed
for a week with friends, then another week
island-hopping. Tomorrow back to the
main land and home by June 1. It
has been a pure time and we
enjoyed seeing old friends so
much.

Hope all well with you!

Love - Ann + Jack Dorr
