Bless you for yr letters &
many other things. Am so glad things
coming with yr mother & we are very
soon I surely take off my hat to her
I wish she could sell her lot & house
& migrate as you say but it is hard to
change & she is cased against it
beyond than you realize
I am
yours truly
J. H. H. H.

change & that is easier
known than you realize
Regretted writing you delay but
now seems like 2 days more Brighton
very anxious we see near people
& help pick up business, may stay
till Tuesday if can surely remember
get back at

Am anxious to get back at
fundamentals but a few days more
won't make much difference
Dinner is a relief

Alida Davis Tragoon is a great friend of Burden who owns the aquarium. Introduce yourself to him I think I have met him

They should be proud to know
you for public relations
on a chance I will phone
you were coming asking permission
to photo etc introduce yourself
Call Graham for me

I suppose you may not go to
Escoant & son for lunch
on the Alice if you can say
time drive over & look at
it

Much love dearest & sherry
for New Mexico + Calif

I do wish you were curling
up for head & are any
shoulder

John
some great reports that
the weather is just what
we need for a good crop
of wheat & corn & other
grains & vegetables
which will be a great
benefit to the people
