Yr 2nd letter

I earnest

hand. I am sure you got a letter
or 2 unless held by Censor as some
have been. Our asinine Eleanor
thru her discovery that because you
can reach St Johns N B by air mail
you did use it for St Johns N F
I get mail to me at great cost 2 days
later than normal mail. maybe
responsible for what I get.

I have had no ny paper since leaving
my fault for not ordering. Can not sure
date yr letter but suspect the date

Am used happy on yr mother + Barb + Gesting
back.

Dr Research meet at Hershey Pa. Sept 27th
Padi invited Will you motor over with me? I would
love to have you + wish go alone or with Daniel.

Things seen on at office. You will suffer here
Talk talk talk. Wgo by train tonight to Buchanan
see map then a paper plant and then here Sunday
(Monday AM) & Lr Thursday. I hope you
look at the School house & see what Jeff
to have. Have taken the war as it comes.

+ only know fact of sale no comment

They surely have been blasting each
other. I hope you see the Hue children if
they come on this boat. Much love dear
one we shall be to see soon + free for each
other. My best to yr mother
J.

4:30 P.M. again Talk talk talk & I
have promised to make a speech to the
Coke Rotary Club next Thursday. You
can see how I am furnishing myself
for it means worry ahead but
I'll do it with it all. I hope G.H.
appreciates what I have done for
him. Hereafter we may stay
apart no quarrels of any sort
& perfectly happy but talk talk
talk. I have read very little got
a Saturday & enjoyed an analysis
of Pegler. I hope you will
look at the New Map
just in of the S. Shore House
God bless you dear. I wish I could
slip into a room at U.B. or have
some one come into mine.
I have slept in corners & don't
expect any trouble anywhere
but oh shall beg to be home
John
