Zero - clear - full of ideas - going backward - "The Steep Places - Norman Angell - great book been reading it. Get also for train. Again how to contribute send copies to Congressmen? Do Adelaide Baker? write letter yourself? It is a discouraging but very suggestive book.

Again last nite Monroe - adorable Dane - big man lawyer, never studys Columbia - a "Berry school" girl who had seen Head hunters New Guinea charged by MRA. Miss Hyde an MRA worker in France. Tales of underground & the Socialist leader changing. 12 at dinner beautifully served one cook maid & girl slipping up from table quietly to help - Hamo wife Son of Frederick Nansen (Norway) & his dear wife

Again - something there - a way of life - about 100 of the Teenagers moving to California Eleanor write (on their own) people who believe in MRA stuff bills into their pocket buying meals at restaurants. The good Time let's
