Merry Xmas my
dearest one, + may
our New Year give
us both that joy
of living which we
both want, + can
have.

My present to you
will be waiting
our return — one hundred
shares of A-O Common
which comes wrapped
in warm resolutions
for your happiness.

apart from
material things.
If I can give
you that I shall
be happy also.
Much much love
dear you have done
so much for me
this past year &
always
