

THE PALACE HOTEL
SAN FRANCISCO

Just an unexpressed
line dear to tell
you once more how
dear you are to me.
I am most anxious
to get back to you
& still more to get
our things worked
out. I know they will
for I find most things
do if you are ready
for them.
I am sure my

our things are
coming.
I travelled thru some
- Sketch a man over a
found for to Ft. Scott
& Lo drives me out
I am not so stuck on
flying after night
for the leaves a headache
The view was superb
& I got a great kick
floating over a cloud
sea half an hour while
the did their stop for
the dinner. I shot
quite a lot of film
much love dearest Let me
know Cody and Del as soon
as you know A when you get off
from B. Rock Bait Betty
& visitors
