Dearest

It was very good to talk to you. It bridged the distance much better than any airmail could do. We ate at the Supper Mosadi [illegible] at the Hall and drank [illegible] pleasant people — but the high spot. mussels in oil from mediterranean

Now writing against time to send this by a friend flying today Re 1040. I gave someone $100 — to pay expenses while away. & don't know what instructions you left. Suggest you get Eleanor to dictate to her own memo for me regarding operation the establishment for E will have to look after bills etc. I don't know if you told Daniel he'd have a check if while we both were away

I dare say like having him
join us.
You will also have a
lot to do & learn definite what
re clothes or anything you
want brought in the bag.
It is really a little job,
to get well organized. I wd
expect to go into Carrara
for the week for to take
& purple camera etc.
& luggage means a lot. I
a great deal depends on how
we do it. — both in dimensions
& bags you take & if you wish
to buy any & the luggage carries
now or order it do so. Fog can
keep you any way you wish
much love dearest. If on reaching
home you decide to stay a day or
two longer & not be till I get back
I will hustle & may get there first
All, God bless you —

John
