JOHN V. N. DORR
570 LEXINGTON AVE.
NEW YORK, N. Y.

Monday Midnight

Dearest One

A day to write including Panels with ced Pannelled + astart in the little Trust with him as one of the Trustees + an evening of Organization with Terry Eckstrom Bills Wiles + Fason at dinner + here till 1 - a.m. later night

I jumped at abt talk & progress + they all kicked in + have astart made that I can like something. Tomorrow nite Fog stays here + we work on bonus change. A dinner invitation from Chas Butler for 14th - regretted. Continuing the medicine ball each am. refusing a bit virtuous in consequence.

Invitation to a mtg Inst Pac. Relations Princeton re change in Japan Treaty Int Dal says he knows Seeds + not much I shall be Realms of my Time Cho at lunch a Sec chem Industry Banquet 16th at N.E. 14. The deine Smokes 12th Dis mtg 13th a good week to be away. Agnes Grant wrote re a job for a Russian very enthusiastic intelligent over yr card with Junior League work.

Shaf back stormal sea much ill ness in decision for several weeks. Int lawyer hopeful They say West Branch full of ice + beautiful with black pools in spots.

Mcafee + Johnny Sr at the Coast. D her Washpnt voices turned down the $300 000 addition to high school. Apparently largely wanted for cafeteria + assembly Hall.

They say will have to refuse
Welsh + Austin pupils. In general
I think they found too much on schools
The Junior High about 100 yds
away has an assembly room both
and use
Your sweet face looks at me from
the bridge and I wish we were out
there together trying to make the
most of a wooden bunk not too wide
Somehow I find the ideal bed
room for two had one double + one
single bed in it we have it with two
rooms here still more flexible
I have a date with C.K.F. for Sunday
25th he to leave later as before. He seems
quite taken up + smarty. Would you be busy
like me out the 17th or will you be busy
then + you don't know. —
Ekstrom says the AT&T have
a studio ah Astoria which you could
see on yr return They use it to make
pictures where people here can't go
Wish it might be a good place to work
If you were taking Shankar or
some other people playing here.
I can see you already famous
+ a proud dictator to the movie world
I hope Bob can get into it to the
singing in the tub sounded
a good omen Lots of love J. -Wed
