March 11th

Dearest wife.

All is quiet with a very yellow & clear sun
settling over the river & not a ripple - a flock of ducks
flying north. It's a contrast to a hectic getaway.

I shall have a long quiet loaf tonight & not a great
deal to do tomorrow. I shall have to talk C.K.'s with
out with George. I don't somehow feel it will be very hard
tho you can never tell. He cannot beguile the speaker
biggest but can resent the residual to a children
& the picture. The fact that Anne indicated a desire to
give them to the Museum shows his feelings is
George. Why speculate? It's all in the day's work.

I have no inventory with me & praise the Lord no
responsibility or authority.

Re G.H.M.S. How glad we shall be to be finished with it or
only one of a good group in it or with Marian
Commitment now are. Bringing Eleanor Erickson and
Mary Lambert together. Working out for the Board
meeting Friday work at 1040 at 300 and working
along with the executive com. to mop up the
effort of Miss Wendell & the ~~new~~ team etc.
- I just stamped two white swans in a day!!!
Mrs Reible says Mrs Stearns is working hard in the
benefit for Apr 12 Monday. She is going to make a
worker. I wrote looking to Mrs Simkowitz & she
is anxious to find out what action will be
taken. I would like to get a dinner ahead
for the Davises & Lambert Wednesday or
better Thursday night if you think it could
be done - It may be better to leave it till
the following week.

Kate I shall do no more planning
but just tell you I love you

and I wish you were with me.
I arranged as you suggested
for Bill Fason to bring down
some slate & have it set up at
the mill.

I may wire you to meet me at
Harmon Saturday or to ~~of~~ send
Frank Over.

We surely need that dual
personality to be able to be at two
places at once.

What a job we have to be thankful
for tho. your health, mine, ourselves
the girls two lovely homes & under-
standing hearts that can see thru
the surface & have a wide spread
love for all. Barb was a good sport
and it will be nice to have them around
for a bit. Very much love my dear
one.

John
