Dearest H.

Yours 18th P.M. & 19th A.M. awaited me. You must not miss me so much. It may be selfish & what you want but the Knows of existance must carry them. I am glad Edward scolded you I know you needed it. It all comes to a sense of proportion but thank God you do value real things so much more than seemingly important things that you will help me more than I can tell you. Now you dear must all the time.

Thank the Lord you are not bothering further with the marble as filling things ready.

NOW as to Charley Field will put Newfane at our disposal & suggest that we send Jensen up by train to open it & drive up ourselves. Or can stay alone or with him as long as we want. They own hands wd be to get John & Gilchrist to come over there & drive up with Clark & Clark & Main & have a nice little party & send them back. I don't know how far about a church wedding Charlie House & garden owned by church mouth for me but there is one in the village. If John will do it we can do it in New Jane & if necessary do his town but I hope not. I doubt if G.H. available. Or a friend Jensen might like

some me up before hand. There is a woman in the village who would open it up for us. who Charley will write to. Then come via Elliott Lee. + perhaps the Boston Boat.

If time pressed + we pushed the 30th we could arr for the 27th

At any rate we can decide on our Return to Cody.

I shall be at Cody when you get this Dewey Riddle Ranch. Painter Rd Cody Wyo. Phone Cody 12F32 + in N.Y. 10th or 11th. I will address you Blowing Rock N.C. until I hear otherwise. Address me Gen Del. Cody. also D R R is sure address.

I wd say now that we planned plan to be married about 25-27. I don't think Sunday is a good day so it might be 24 or 26. or 27. 24th looks best to me. Then if we said 30th we have a day or so in N.Y. + if we wait till 10th a week.

It is a nuisance not being able to get it determined ahead. I cannot read re Homestake Gold as I hoped to do. will send on my check from Ernest Schenck instead.

Have been selling allan Field Movies + am tired. I fly a 4 mile flying to Billings to 7- to Cheyenne + from Cheyenne Must catch mail now Tuesday.

Much love dear. Fly peace + rest ahead for both of us. Love to all
