

You can't possibly know  
what it means to me that  
you will actually come to  
my small Paradise. It ~~is~~<sup>is</sup>  
the one thing I most  
wish — to welcome you  
over the threshold. Now  
it will be complete for  
your eyes will have seen  
it. How utterly delicious!

Can't wait,

Endless love!

T.
