

our dearest Nell.
we think of you
so often & with
so much love —
and wish & wish
we could see
you! (darn it!!)
We're back in Spain
for a while this winter
(in a rented house here)
— must arrange to extract
the pesetas out of Spain
personally of last year
in our house (address
is always Tilfhaner Schloß
though) We're hoping you
are well & know you are
ever our dear Nell. So
merry Xmas and all good
things to you by your
wonderful mother & our
dearest love always —
Ouel & Aunt.
