Beloved Nell,

A quick word to let you know that we think of you and love you. These are days of intense and exhausting activity as I try to work with a thousand interruptions, most of them silly. Republican convention monstrously disappointing. I'm giving a talk next Friday for McCarthy. Hate to get pegged in such matters, but feel that I have to do this now after seeing the degraded things that happened at the Rep. Convention.

All for the moment. We hope and pray that all goes well with you.

Best love from all of us here,

John
