Dearest Nell,

11th
In great haste. My exact schedule will probably come in a bit later today, but in any case, I will be coming your way on the 10th. I have been unable to finish up my work here, so I wonder if it would be possible for me to get some of it done there? Would you see if I can rent an electric typewriter there in Washington? Any kind is all right, so long as it is electric. And if it is not too inconvenient, would you rent it in my name (because I can take it off my tax if it is in my name). I look forward to seeing you and Chris, and to working in that lovely house.

Until soon, then. Best love to you and Chris,

John
