Beloved Nell,

Got in yesterday evening, immediately found an AC adapter for your cassette recorder, so will mail that on to you.

Am still living in the glory of that visit with you, and in the memory of some perfect days with you, Chris, Paul, Beanny, and all your friends. Bennie's performance is tonight, so I know you are all together and I am with you in spirit.

Everyone here is fine. We had a glorious reunion and sat up and talked and played music until after one this morning. Penn and his wife came by and caught up on all your news. He leaves for Bangkok right away, but will be back at the end of May and is counting on a visit from Christ in June, as are we.

Have ordered your Bach. They will send it directly to you. I hope you enjoy it as much as I do.

Am also sending you Fr. Pire's book; with many of my photos and with photos of the two of us together.

Until soon. Best love,

*Joh*
