Dearest Nell,

A quick note to tell you that things continue to improve. A HIDDEN WHOLENESS ~~MAN~~ has come, in a complete copy, bound, etc. and it is beautiful, I think. Also I wanted to send you along this little booklet that has just appeared - nothing important, but it gives a bibliography that is helpful to me at least, since I can never remember what I wrote.

Also a picture which I may have already sent you.

Had a lovely letter in reply to my letter to him (a carbon of which I sent you) from Mayo Tenery about the surgery.

Got the DGG recording of Schumann's ~~Wunderkammer~~ Dichterliebe yesterday, sung by Fischer-Dieskau-- really the most marvelous version I have ever heard. My mother is over helping, and she used to play all the accompaniments to these Schumann songs, and she was really overwhelmed by this recording.

Have to keep this brief. Am so snowed under with work I ought to do, and with no strength to do it.

Great love to you, dearest Nell....

John
