

LORD, YOU COULD DO WORSE
THAN GETTING GRIFFIN
BACK ON HIS
FEET!

Dearest Nell,

I hope your good guardian angel
is working as hard for you as mine
seems to be working for me.

Wonderful to talk with you the
other night. Cannot wait to see the
new Mother and Child.

Mandy cannot understand why my
guardian angel is so stout when I am
so skinny. I mumbled something about
the "mysterious workings..." and let
it go at that.

Love to you from all of us here;

John
