

June 13, 1972

Beloved, Nell,

Am rushing to get off to Gethsemani in the morning for 10 days. Wanted you to have these shots of Piedy and Mandy and my godchildren as they waited for Lili Kraus's private concert last Friday. And the shot of Lili afterward.

All goes well enough here - everyone busy, but well and thriving.

Great love to you,

A handwritten signature in dark ink, appearing to be the name "John" in a cursive script.
