DAY

Dearest Dorn - You're home!
Quiet Bliss!

~~Mr. and Mrs. Covington Hardee~~

I just want to tell you
again how much we love you
& how blessed it was to have
you with me & us. Knowing you
were there has had added, without
measure, to my serenity about my
darlings.

It has been the greatest experience
in my life + Cuz → my life
together. bless you for being
with us and wanting to share.

With so much love between us
whatever turns out our project
cannot fail. Tell my love d.
