I'm not very good at this - but I am very grateful for you both on this and every day. but since this is a very special day I must tell you - I do love you both so very much.

Pooh and Peter Darling.

This is sort of a funny thing to do - write a letter when I am right with you. but you know I'm not really such a demonstrative person - and I do want you to know how very lucky I am - to have you.

At six years ago. I could have picked my whole life.

just knowing that I have you - I am lucky! But then so are you. You have each other - and if I can only find in my life, a person who is our truth as grand as you Peter - and turn into someone our truth as wonderful as Pooh - I shall be truly justifying my life.

family - and greatest adventure. I couldn't have possibly had the courage to imagine life would be like this. That sounds trite but what I'm trying to say is - that I'm very very proud of you both - and want in some way to share your anniversary.

I know that in the past four years I've grown a little sung.
