Your trip sounds most hectic to me - but never a dull moment. Do take it easily. It can be fun!

Things here go along smoothly & well. School gets out a week from today - I think Kitten will miss it. We've bought her a new fold size

We've had rain, rain, rain! The past 2 days have been sunshiny & lovely so we're revelling in it. Your yard really looks very well. I think it makes you however aware all do - Our very best love & our wish for you - & do take care of yourself!

Stevenson

bicycle for her birthday - Its about to burn a hole in her Daddys pocket - but I would let him give it to her before - She has talked so much about one - we had no choice in the matter.

The school had an outing this week - at an amusement park South of Manchester - We sent Joyce with both of

our two - John drove them down. (The other children were pretty well jammed into a few cars - I so did not know the walkers drive either - We just didn't want to take a chance with ours - He left them + picked them up later) They had the time of their lives! I had a Junior League board meeting + luncheon so I could not go - thank
