Dear Nell:

It was wonderful to see you and Chris, and I am glad that I was able to bring favorite people together, in a happy interchange. I'm sorry that we could not go on with conversation, as there were things unsaid and thanks unspoken on my part (for I did mean to tell you how much joy the talismanic Angel brings me, and how the glowing jewel-like colors light my room)!

Which one of the "Mother and Child" song did you have in mind for the Center, please? I have a feeling that we favor the same one, but you speak first, as the artist should!

I apologize for my mindlessness. I think it stems from my doubts and questionings about the exhibition, which is becoming a nightmare to me. I dream of bare walls....

My love to you and Chris, and
my thanks always =

Grace
