Tell dear:

Please do not be angry with the Museum -
it is going to be beautiful when it emerges, and
you will love our garden, which is something out-
of a world of dreams.

I'm still in a panic about the Center,
but your photograph spreads glory all around,
from a key place in the middle of a forgotten
wall. Please come to our opening on the
25th -

Thanks and always best-love,

Grace
