

40 EAST 78

January 10th, 1965.

Dear Nell and Mario:

How beautiful the gift
of your joint-making! Many
congratulations on this happy
achievement; and many thanks

for sharing the image and
the music with me. I
am deeply touched and
profoundly grateful for
this wonderful and added
evidence of your understanding
and friendship. Magic

cannot be measured. . . .

With best-love -

Grace
