

VENEZIA - Ponte di Rialto
Pont de Rialto
Rialto Bridge

October 10th, 65

Well dear: Today in my
wanderings I came across
the place where gondolas
are born and sent down
the ways into Nile Green
waters! Also, rode up to
down the Grand Canal in
full moonlight half the
night long! "Wish you
were here" - really!

Best-love,

Trace
