Nell dear - It is being
unbearably beautiful -
my last afternoon in Florence
was spent at "I Tatti" -
alone worth the trip. I'll
be back at Momma Nov. 5,
and hope to see you soon
thereafter. Could you send
me Chris' address, please, as
his Xmas book should be on
its way soon after my return?
(Card to office will do). Hope
all goes as well as possible.
Thoughts & love - Pau
