Nell dear:

Many thanks for your exquisite letter and the beautiful and meaningful latismaran of your making! The bird will bring its way to Spain, along with me, and your

thoughts of love.  
I am so sorry that - Chris  
must - make further sacrifices  
- it - seems to me he has  
given so much that - he  
should be exempted - from  
such obligation at - this  
turn of his young life.

Yes, I will be here for  
the Carl Sandburg reception,  
as I do not take off until  
the 16<sup>th</sup>, which seems at once  
very near and almost -  
beyond reach.

My best-love always,  
Zac
