

new york, 6.6.54.

meine liebe, liebste nell,
your two letters are so
beautifull! - they are -
poetry - well, they are
you. I love to read
them again and again. -
and then I can not
say anything - but am
so endlessly gratefull
that you are. and
that you believe in
me, and love me. -
tomorrow you will be
in stuttgart - and I
shall think of you
every minute - please

write me if everything
about the book went
well! - when you come
back -- !! I advise
you - sleep 2 days
and nights before you
arrive here -- I shall
ask you 100000 questions,
- untill you put cotton
in your ears !! and
you will see my Ernst.
wonderfull.

it is now 4⁰⁰ clock in
the morning - it's so
beautifull here. I
have just cleared the
apartment. I love
to do it! I made

1.) a long face to that
stupid thing "vacuum-
cleaner". I like to clean
floor, - where I step on
always, - to clean it
with my hands and
going on my knees.
the school will be
wonderfull, I can not
write untill you see
it! and I can do there
how I believe is right!
but I have to do very
much research before.
art-history for lectures
and other things. but
then I will be "perfect".
miss cooke was on

"my neck". she thinks,
"I look like hell" in
my beautiful yellow
skirt!! she thinks I
~~so~~ should be more
elegant! but it is for
sure, I shall always
wear my yellow skirt
when I see her!! (hifi).
but you know, she
means well; she only
does not know.

I made 2 ~~su~~ small pictures
for kitten! and did send the
little bag.

now I put your music
on - will you listen with
me?

I love you so.

take my hand... always
your rose.
