

Dear, dear Nell — how can words even express the regret I feel that you have been caused any upset - pain - sadness from my confusion. Know that your words find me stronger and determined to make things work, make love heal. It is as if my hands were bound and are ^{now} unfettered —

I am doing a group of pictures centered on The cabin + the rocky beach ^{we} sometimes visit. That too seems to be ^{coming} clearer. Let us think on all that you gave me and Frederick (too), in awareness of Life.

Julia calls. I write soon again. I shall not allow silence to become ingrown again. Take love, love, love, Greta

best for a visit? We will be on the farm (Mr. Szold's) in Washingtonville, New York and this year must get a chance to see you. Anne will be going to a three-week camp out here either in early July or in August so that our trip will take place one time or the other. It all must decide itself shortly - Do let me know if you have a very best time. I have been slow getting plans made - because
