Dearest Nell -

Just got word from
Charles Reynolds' secretary
(he is away till October) that
They want to pay us. The
costs are \$300 for 3 pages
of text and \$100 a page
for each photographic page.
I had said when we were
together that they didn't
care how we split it. Because
the travel expenses were
\$350 — that about did it
on the part for the writing
but They may use a portrait
too / no word on that yet.
Anyway, may I ask Them

to send you \$700 and me
\$400 which can cover my
expenses (above which I
don't expect or want anything.)
If these figures don't suit
you, please tell me and I
will go along with your request.

mainly, I'm so glad that
I could come, and do the
writing — and I wish they
would hurry and print it —
so that we could all see it
finished!

Much Love + xo,

Greta
