Dear Mr. Tooming,

We are very pleased to have a copy of EESTI FOTOGRAAFIA TEERAJAJAID. We are sending today copies of both of Nell Dorr's beautiful books and I know that she will be very happy to know that you have known of them and have wanted to see them. She has many friends and admirers throughout the world.

How interesting it would be if we could arrange to have either of these books sold in the USSR! I know that there are many difficulties, but perhaps there is some way . . .

Cordially,

*FMitchell*
