Dear Sir,

Let me send to you a book from Estonia, "Eesti foto-  
graafia teerajajaid" - the history of Estonian photo-  
graphy from 1840 to 1940. Sorry that it has only  
short resume in English.

Have you any interest to exchange that book on the  
album by Nell Dorr, please? We are very interested  
on that issues ("Of Night and Day", "Mother and  
Child").

Thanking you and with kindest regards

Yours sincerely

Peeter Tooming, ANPAS
