This dancing family is the one I have spoken of. Snegwynn is 78, Charles is 89, (Odel the daughter is 50) + they live in a Temple built in 1914!

A MESSAGE TO THE FRIENDS OF THE QUITZOW FAMILY

I will send you a xerox of a proposed article for Smithsonian magazine.

In early February there are several exciting events at the San Francisco Museum of Modern Art, Van Ness Avenue at McAllister Street, San Francisco which will highlight images of the Quitzow Dancing family over the years.

There will be an exhibition called FOCUS OF BAY AREA DANCE PHOTOGRAPHY including dance photographs from the 1860's to the present. There will be photographs of Lotta Crabtree, Isadora Duncan, The Quitzow family and other important dancers. (January 23 - February 5 in the Video Room, Lounge.)

*February 1-4:

SAN FRANCISCO DANCE FILM FESTIVAL 1978:

Dance & Media - a centennial celebration

The four day festival will be the first major exhibition of films, photographs, graphic arts and video programs ever presented concerning the history of dance education and performance in the Bay Area. (See the Museum calendar for details.)

This is such a great challenge and a joy as all three of the girls are in the slides of the dancing!

*Thursday February 2: The program for the evening includes my film and slide presentation on the Temple of the Wings which incorporates the film footage taken in 1971.

*Friday February 3 at 7:00 PM in the lecture room, 3rd floor: Lenny Sloan, Chairman of the Bay Area Dance Coalition and I will talk about The Quitzow Dancing family and Dance Photography.

COME SHARE THE EVENINGS!
