Dearest Nell,

Yes, I was in Grand Rapids - and Recollections was a SMASH HIT all over again! I flew on the 1st, lectured and opened The Show on the 2nd, spoke to docents (four guides) on the 3rd as well as giving a radio interview with Barbara Morgan who came over from Detroit where she was lecturing! We drew a BIG CROWD of all ages and kinds from photographers in levis, to women's collectives of artists, to older people from the community. A full house. The museum director was very pleased.

Bravo, you are printing! I am so pleased! And Bravo again - I am going to work for you as well as with you!

1st of all I checked into The

4. keep here or send, as you wish.

(it is VERY
HEAVY!!)

Maybe I can interest green tiger
in some of the prints for reproduction.
Also I was thinking that it might
be lovely to do a small suite of
photogravures ... Dreams!!!

let me get a few things done so
I have the excuse to come see you
and talk about it all. You see
all my schemes are so I can come
VISIT! And now I have Anne so
close. She loves Smith College
so much + is having a wonderful
time. / I may get to Smith in
early May when Recollections goes
there. I'll let you know! from your
Love — love — love always spirit daughter
Greta

2/agent role - apparently 20%
of the price is the usual cut. If
that sounds good it's fine with me.
The three prospects I am doing some-
thing about are

1. Postcards with Museum Graphics
Anne Helms is Ansel Adams' daughter and wants to use work from several women. I will ask her to send a set of cards to you + we'll go ahead if you like them. I do very much.
2. I am now writing Green Tiger Press about cards or a calendar. Their work is exquisite. They do reprints of old prints + engravings (fairy tales etc. author Racham (my spelling is off...)) and I have a few of your prints I will ship in a mailer

3

for them to see. will let you know.

3. a purchase of Secrets from
Recollections (Win + Chris)

Do you have a copy? Why not
mail it to me insured and
I will have it matted here
and sell it at your price.

I suggest ^{an image} ~~300~~ 300 - 350 if it
is on 11x14 paper ... or more
if you like. I will do more
research on prices. And don't
forget to SIGN THE PRINT ...
on it or on a mat.

yes 4. I have the prints - all of them
+ The dummy for mother + child.
I have reminded you of it - and will
