

Dearest Nell

June 1, 1980

I have had This envelope ready since I got home — where has the time gone? Late May is so swamped with end of the year activities and portraits and brochures and finishing projects and birthdays and our anniversary. Now it's June already.

I want to stop! Long enough anyway to Thank you for our visit which was so very special — and included an added dimension — with Anne. How I enjoyed watching you enjoy her! It was so good to see you and talk as we always do! I always come away enriched and encouraged. I hope That you feel That way too. This time I felt That we really accomplished a great

deal! Did everything with Cusie
Pfeifer work out? And The
Museum in Coral Gables?

Call me if you like. I'd
love to talk about it. I

hope all goes well for you
and that

of your house
are peaceful and happy. Much
love always - Gretta
