

All the best for
1982 ———
I will come
celebrate May
with you if I
can — after my
25th Reunion
at Smith !!

Again
G.

Dearest Nell
You are two angels!
Thank you for the great-pleasure
of my SEASON'S GREETINGS visit
which rings in memory as a
gift apart from ordinary time.
(That is the nature of our friendship)
and for the gift of cheese — so
beautifully presented and delicious.

We all loved it
and have feasted
by the fire — It
has been our
best Christmas
ever.

Thank you for
your gift of
love + friendship
♡ Gretta
