Dearest Nell -

Am back from Evanston and the week, being a visiting professor at North-western. It was simply fascinating! I wish I could give you a bird's eye view of our situation there.

We stayed in a building - This letter - head tells it - designed for visitors. It was like a conference center hotel - on Lake Michigan. Very comfortable! Brand new. We ate well and were driven around by student drivers in official cars. I felt like Lady Di in the back seat just behind The queen (in this case queens). Lotte was there, Barbara and Ruth - ages 86, 81 + 76 !! We met with students, gave classes, gave talks and answered questions and generally were "important". Lotte was particularly delightful. She answered questions so simply and had such a lot of fun being ironic and amusing.

she + I decided to organize a reunion  
with you! How about May, right  
after my College Reunion which is  
on the weekend of May 22-23rd?  
Anyway sometime around that time.  
We could get together and laugh!  
She'd love to see you too. especially.

I finally met with John Bohanka,  
who will purchase your print of The  
Three children from Florida. I will  
send you a check for half, when he  
pays + picks up the print - in June.  
(he wants to wait till his divorce  
is final -)

The world may be crazy but there  
is something good - it is our friendship  
and the love that surrounds us.

Love always

Gretta
