of them for you - just because

I want you to share in These .
I can't afford to have These

2. get you another show —
and there is someone asking
me to consider "dealing" in
photography / to build a collection.
It may be a wonderful thing.
I will start with The Recollections
photographers — and everyone

and then along around Thanksgiving

When I'm in Washington I hope
to have a decision —

Keep in touch.

Love

Gretta

Happy memories of such
beautiful moments !
