

I am thinking so much of
 you, dear Nell - that I had
 to say so - no more ... be-
 cause if I tried to wait
 until the moment was
 long & free to write, this
 deep memory would
 not be the same. I have
 been looking quietly at
Mother & child which
 always brings me to you
 How I long to have us
 make new memories
 together. Summer is coming.
 N. 203 - HUGO VAN DER GOES
 Trittico Portinari (particolare)
 Firenze, Galleria degli Uffizi

our love,
 Margaretta.
