

David Mekelburg is an artist/calligrapher who lives in Los Angeles. He teaches and lectures throughout the United States, and for over twenty years he has designed greeting cards with quotations from his favorite authors. "I work and play with words," he says, "and try to give them new life so that they can communicate the joy, love and encouragement which frequently are difficult to express."

A FRIEND
IS A PRESENT
YOU GIVE
YOURSELF.

ROBERT LOUIS STEVENSON

You are both
giver and gift.

Love to you,
Nell, on
Valentine's Day
from your
friend of
28 years !

Gretta
