Darlingest Most Beloved Friend

What a wonderful day Aug 20th
is! We can only cheer & feel
gay that you were born to grace
our lives, for anyone privileged
to know you, just, well, our
hearts are filled with joy &
your presence - your warmth
& loveliness has touched us, I
know and truly deeply loving
you has so colored my life -
all the crazy things we did
together, the laughter we have
shared are all joyous memories -
Oh my Darling friend, so much

children & my children it seems
that all our lives have been
intertwined - just wonderful, our
guardian angels, I feel sure,
still are busy with us & our
problems -
