

MRS. JONAS REINER
1010 FIFTH AVENUE
NEW YORK 25, NEW YORK

Deel Darling.

It was good, good, good,
It seems certain times stand
still are there forever and
what a joy - Jonas adored
you as I knew he would.

Oh! Deel what a feel of
leaves & singing earth you
are, orange petticoats in
the wind - good health to
hearts - We have had
a long seise of the city which
we loathe, and can't wait to
get off to our ~~home~~ foot
beach combing life, which
will be soon now - when
you come to town do call
me, our number is Re. 4-8766

Its unlisted — what a lot
these little poems bring back
my dear dear friend —

As Jonas would say
Thank you for just being —
I hope to see you soon
all my love

Jonas says me too —
