Did I see Topsy Lane her twins & is everything alright? 7 Feb. 20,
Pearl Darling, Lots of Love xxx.

I adore the red valentine apron. It is so sweet & I love you sending it to me.

I have been wondering if everything is alright with you these days. I haven't heard a word from her & of course am anxious to see what Bill will do. Of course Bet never writes - I gave her all sort of letters about her and end up by deciding she never will change. I just hope she and Jim are taking to make you happy. I do wish we all lived very very near.

I have just finished reading a book that really pains me a lump in my throat. It's called "yours and mine" by Joe E. Brown. He came to many hospitals in Italy & they all loved him - Read it part of you have a chance.

Laddie continues to be fine. He is such a comfort to me - He's the dearest little fellow. He walks constantly & says the cutest things. He speaks very plainly (so I've said)

He's so like Mary & Zet & can see a lot
he looks very much like Bet as me.

I've been hearing awfully often
from Mary lately and his news is
all good. He seems so much more like
Course he never gets angry. I know
this time sounds blue - Seem so me
on one of those down days - It just
gets me now & then how she must
cramp on and on & on. I just want it
to end & for them to come home. Oh
Pash but it has been a long time
sometimes I feel all sick inside &
still remember trade years with Myra
I'm proud of us - but I do wish
it neared its close. I'm so down tired
tonight she blues pash. I'll pep back
tomorrow. I'm very healthy these days
(spoil appearances) I take vitamins constantly
& don't even have cramps - also my
hair is almost back to normal so I'm
nothing to worry about. I even feel
better for complaining a little bit.
Your babies demands attention now so
I must stop - Son Babbie & dear & I
love you very dearly - Daddy.
Mine bad luck constant and that
every thing is standard.
