Dear Nell -

There is no news - just want to let you know that I am thinking of you and dreaming of golden days in the future when this war is all over and the world is peaceful again - when I can hold my son on my knee and put my arm around the most wonderful girl in the world - when I can walk through the woods with you at West Branch and take pictures of the beautiful things to be found there - when I can sit down in your wonderful kitchen and have baked beans and fresh corn and we don't have to worry about rationing. Yes, we have many happy days somewhere in the future - and I hope that time is not too far away. The war does seem to be moving on to victory faster every day - we will all do our part to speed it up even more. Know that I love you and miss you May &
