Dear Nell -

It is really foolish for me to try to put into words all that I felt as I turned the pages of your new book - it is far too beautiful and says so very much. It is almost like a chapter in the Bible - every page could be used as a text on the meaning of our existance and our relationships to God. Every picture has the depth of beauty, perception, and truth that can only come from the soul of a master - Yes, it is your finest creation, and I am so very proud of you

Love,
Mayo
