CARTE POSTALE

Dear Dorn,

Just a note to let you know that at the end of this month (July'85) we will leave Cambridge. In September both children will be at school in London, and by then Mel will also have settled in London. As soon as we have a London address I will send it. We will keep the farm as our main home and our permanent address is still:

Coney Byes Farm
West Bergholt, Essex CO6 3DR
Tel. (0206) 240 316 England

I am in the midst of packing and sorting out our flat in Cambridge. I have not finished my work here yet but will commute from the farm or from London once I move. Are you well? Are you enjoying the summer? I think of you all the time. How much would I love to see you sometime soon. Receive my very best wishes and good thoughts, and a big hug with much love, as always Rudy
