My Dearest Friend:

For no special reason
or anything I desire. I am
sending you these (7) Little
special hand made gifts of real
beauty for you to enjoy only
because I love you and you
are my very, very best friend.

I know how you like to
dress your hair at dinner.
So you have many colors
and one for each day of the
week. You are with me every
day of my life. God Bless
dear friend.
