

FOR A VERY
SPECIAL FRIEND

There's Nothing in this
World that Can Change
my love and feelings for you.
You have been a great help in my
Life.... And I appreciate you very
very much.

There's a world
of warm affection
in this greeting that I send
Because it comes
straight from my heart
to you, my special friend.

I remember you every day
I will never, never forget
you... as long as I live.
I love you friend!
Sincerely yours.
Shedrick
