Wonderful Friend!

The Sun shines today in Oregon.
The birds are Cracking their seeds.
We have Cool dry Weather
but it is beautiful — as I see the
day thru I remember you and
the beautiful Warm days I shared
with you at the Villa.

Remember, God loves you and
so do I!

I pray for you every night,
I remember you at the Cake of
my every day.... and my love is
never far from you.

I Called and spoke with
your daughter Barbara, in Texas
the other night — We shared
And had a beautiful talk together.

Remember me in your thoughts
and always remember I love you!
